This agreement is between Suran Systems, Inc., PO Box 603, Versailles Kentucky 40383 and the above named State Office. Suran Systems Inc. will provide the specified number of hand held devices for casting votes at your ministers meeting as indicated above. Suran Systems Inc. will also provide the necessary network and server equipment to perform the voting at the minister's meeting.

We will come in the day before the meeting to setup the equipment and assure that everything is working. We will need at least one person from the state office designated to assist in the setup. Distribution and collection of the devices on the day of voting may require additional help and we will work with you to assure the best way to facilitate this. The Suran employee designated to conduct the voting for your office will be in contact with you prior to the event to work out these details.

Any devices not returned or damaged due to mis-handling will be the responsibility of the state office and charged at a rate of \$250.

A \$500 non-refundable deposit will reserve us to be there for your minister's meeting. You may cancel 90 days prior to the minister's meeting. Half of the remaining balance due will be payable 60 days prior to the event. The balance will be invoiced after the event and due within 30 days of receipt. Only checks or ACH withdraw is acceptable payment for the electronic voting fees.

Acceptance of this agreement is made by the following individuals who have the legal right to enter into such an agreement.
