This agreement is between Suran Systems, Inc. PO Box 603 Versailles KY 40383 and the above named State Office for Suran to provide the specified number of handheld devices and supporting equipment for casting votes at the specified ministers meeting.

Suran staff will arrive the day before the meeting to set up and test voting equipment. At least one staff person from the state office will be required to assist during setup. Distribution and collection of the devices on the day of voting may require additional help provided by the state office. The Suran employee designated to conduct the voting for your office will be in contact with you prior to the event to work out these details.

The state office may be asked to provide lodging for up to 2 nights. Required nights will be arranged prior to the event by the Suran representative conducting the voting. The costs listed above include all other expenses, including travel.

Any devices not returned or damaged due to mishandling will be the responsibility of the state office and charged at a rate of \$300.

A \$500 non-refundable deposit will reserve the voting service for your minister's meeting. You may cancel 90 days prior to the minister's meeting. Half of the remaining balance due will be payable 60 days prior to the event. The balance will be invoiced after the event and due within 30 days of receipt. Only check or ACH withdraw is acceptable payment for the electronic voting fees.

Acceptance of this agreement is made by the following individuals who have the legal right to enter into such an agreement.
